CHEQUING IN AT TRU

Central Interior staff of the B.C. Human Resources Management Association — Jordan Clarke (left) and Connie Georget — present a \$1,000 cheque to Thompson Rivers University business students majoring in human-resources management. Receiving the cheque are Excalibur team members Alica Kosolofski, Amanda Nofall, Azadeh Ansari, Shawn Kambo and faculty instructor Richard Roy. The team is heading off to the national human-resources competition next month and the funding from the association will help. *Dave Eagles/KTW*
